We are always looking for extra volunteers to keep our fantastic group going strong. It feels good to be involved and help with this truly worthwhile cause.
Please tick any areas you're interested in finding out more about:

Volunteering at the Tweed Shire Council Pound

Volunteers assist with feeding, cleaning, exercising, grooming, training and socialisation of the dogs and cats in the pound as well as assisting the public. Helping to settle an animal into this foreign environment can itself save a life.

Foster Carers: please circle:
DOGS: big / medium / small / puppies / any size / greyhounds
CATS: cats / kittens

Foster Caring involves looking after a dog or cat in your own home on a temporary basis. Sometimes this is an ideal way of giving your pet a friend to play with, without the long term commitment of owning another animal.

Fundraising

We also undertake many fundraising activities such as market & information stalls, sausage sizzles, raffle tickets, pet-orientated fun days & shopping centre promotions. Goods for market stalls, raffle items, pet food & supplies are always welcome!

Leaflet Distribution **Staffing of Pet Adoption Information Booth**

Transporting animals (eg: vet, foster homes) and/or delivering food

Bequests **Administrative**

NOTE: Monthly meetings are held at the Murwillumbah Services Memorial Club, on the second Tuesday of every month at 4pm. Every effort has been made to ensure this publication contains accurate and current information. However, Friends of the Pound Tweed Inc shall not be liable for any loss or damage suffered as a result of any information contained herein.

Please Encourage Responsible Pet Ownership

There is a tragic overpopulation of dogs and cats in Australia. It is estimated that more than 250,000 healthy dogs and cats are destroyed every year in Australia. That is 685 dogs and cats dying in Pounds and Shelters every day. Many more die or become feral. You can help by ensuring your pet is desexed and microchipped, and by encouraging others to do the same. This will help reduce the number of unwanted litters and homeless animals. All pets sold from the Pound and in foster care are already vet checked, desexed, vaccinated and microchipped, and all at substantially discounted rates.

Please desex your pet - don't breed or buy while homeless animals die. If you want to help change legislation in this state please visit:
